

COVID-END partners coordination call

Notes from 2 December 2021

<https://zoom.us/j/6163788736>

1. INTRODUCTIONS

- a. No new participants to introduce

2. REVIEW OF COVID-END ACTION ITEMS

- a. Jeremy pointed partners to the partner notes from 4 November (see attachment 2)

3. COVID-END NETWORK UPDATES

- a. Jeremy noted that COVID-END has had its funding extended by CIHR for a second (and we hope) final year
- b. Jeremy walked partners through an update on working and task groups' legacy projects (see attachment 3)
- c. John provided a brief update on the Evidence Commission, with a focus on recommendations (see attachment 4)
 - i. Kerry Albright noted that she is happy to suggest an internal brownbag webinar across UNICEF staff, and to share with the UN Secretariat
 - ii. Maureen Smith noted that she is happy to share with Cochrane Consumer Network
 - iii. Claire Allen noted that she is happy to share any social media communications via Evidence Aid channels

4. NEWS AND INITIATIVES OF INTEREST TO PARTNERS

- a. Cochrane Rehabilitation 5th anniversary event
 - i. Online event taking place 13, 14 and 16 December 2021 for experts, professionals, and stakeholders who have worked, are working, and want to collaborate with Cochrane Rehabilitation
 - ii. Click [here](#) for the full program
 - iii. Click [here](#) for registration form
- b. Craig and Zac provided an updated about JBI's 25th anniversary event
- c. Evidence Aid have curated a new collection related to resilient health systems (<https://evidenceaid.org/evidence/resilient-health-systems/>), with quite a few of the reviews being COVID-relevant (<https://evidenceaid.org/evidence/coronavirus-covid-19/>)

5. ANY OTHER BUSINESS

- a. No other business
